Race Vehicle Information

Loyal returning competitors receive a discounted entry fee. To qualify for the "returning" discounted rate, 2019 rider/driver must have competed in one or more of the following (in any category): Cortez Rally 2015 or Sonora Rally 2016-2018.

A Bivouac Pass is included in the entry fee for EACH competitor (including Adventure Raid). So, don't buy any Bivouac Passes if you have no crew. Remember, Biv Passes can be purchased at Registration at the event if needed.

FIA car (and UTV) classes must comply with FIA Cross-Country Rally vehicle regulations. National car (and UTV) classes must comply with SCORE, BITD or Rally America regulations. All above and motos and quads must meet Sonora Rally regulations.

Adventure Raid class (2 and 4 wheel) is for those enthusiasts who want to participate without a fully prepped race vehicle. Vehicle must be street legal, licensed, and insured, no roll cage required. The Adventure Raid class runs mostly parallel to the course on highways and dirt roads, and will not be timed or scored. See SonoraRally.com for details.

If you have questions, contact Darren Skilton: +1 562-682-2226.

We will again host the "Road to Dakar" (formerly "Dakar Challenge") prize in 2019, but we will not know exact details until around February when ASO finalizes it. We will inform all entries of the final decision as soon as we know, and will enter you in that category at that time if you choose.

Having a third person in your vehicle is an additional \$350usd. This fee includes the Meal Plan and Bivouac Pass for the additional person.

Adventure Raid motorcycles are NOT allowed any passengers due to the potential for travel on extra challenging dirt roads.

i.e. KTM, Ford, Polaris, Custom, etc. If you haven't decided on your vehicle yet, enter "TBD" or make your best guess.

Cars can list their SCORE/BITD class if applicable.

For motos and quads, include engine size, i.e. "EXC450" or "450".

Loyal returning competitors receive a discounted entry fee. To qualify for the "returning" discounted rate, 2019 rider/driver must have competed in one or more of the following (in any category): Cortez Rally 2015 or Sonora Rally 2016-2018.

Keep in mind, all competitors are "Iron Man", i.e. the person or persons who start the event can not be replaced by anyone else at any time during the event. A Driver may swap positions with the Navigator in the same vehicle, but no replacements or swapping between vehicles is allowed.

A sticker package will be provided to each competitor, with race number and Sonora Rally sponsors displayed. It is mandatory for each competitor to attach all stickers on their race vehicle, in the specified locations, in such a way that they remain unobstructed from outside view through the event. Any competitor not displaying the Sonora Rally logo and sponsors logos must pay a \$500usd fee.
